Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 20 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright start, then rain and strengthening winds.

Today:
A mainly dry morning with the best of the brightness around Inverness and into north Highland. Thicker cloud soon pushing into Lochaber and Speyside with outbreaks of rain spreading north in the afternoon. Strengthening winds, coastal gales later. Maximum temperature 9 deg C (48 deg F).

Tonight:
Showers or longer outbreaks of rain, gales around the coast with severe gales developing over the Western Isles. Some drier and clearer spells overnight, the showers mainly in the west. Minimum temperature 4 deg C (39 deg F).

Sunday:
A bright and breezy day with some sunny spells, the best of these around Inverness and the Black Isle. A few showers around, these mainly over the western Highlands. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Mainly dry and bright with sunny spells on Monday. Wet and windy on Tuesday, gales or severe gales around the coast. Drier with some bright spells on Wednesday.
